

Keeping Customers Safe

These are worrying times for us all and we want to reassure our customers that we are doing our utmost to keep you safe and happy.

- We feel Pizza is almost a national service so we intend to stay open as long as we can. However, we have made the decision to become **TAKEAWAY ONLY**
- You will be asked to wash your hands on entering the premises and before waiting to collect.
- Our menus will be single use. Tables, high contact points like door handles and sinks will be sanitised hourly.
- Payment (as always) will be by card only.
- An up to date menu will be on the website for you to decide before calling. Please call us on 0117 908 3228 to place an order or email us at contact@flourandash.co.uk and someone will call you back to confirm your order. If you would like delivery, then please use Deliveroo.
- Unopened Wine and Beer will be available for take away with food and at a 30% reduced price (lets face we will all need a drink to get through this). Please ask when you order.
- Finally, please respect our staff and other customers. If you feel unwell, please stay away and consider ordering using Deliveroo.

We love you Bristol. Please keep buying our Pizza
